FOREWORD

The lectures contained in this book are slightly revised versions of those I gave a *Bukkyō Dendō Kyōkai* Visiting Professor at the School of Oriental and African Studies from January to March 1994. My thanks are due to the *Bukkyō Dendō Kyōkai* for instituting the Professorship and for the authorities of the School of Oriental and African Studies for appointing me to it.

The lectures were intended for an audience which knew something about Buddhism but little or nothing about philology. The notes which I have added are intended for the general reader, rather than the specialist, to supply the sources for the information I give.
