

MINDFULNESS & COMPASSION

The Art and Science of Contemplative Practice

June 3rd–7th, 2015

San Francisco State University

How can contemplative practices and rigorous scientific studies best inform each other for a greater common good?

Internationally recognized scholars and contemplatives will explore this issue in what promises to be a thought-provoking, multi-disciplinary conference. Please join us for this special event.

Featured speakers include:

Josephine Briggs Director, NIH NCCAM

Robert Thurman Columbia University

Willoughby Britton Brown University

Ajahn Amaro Amaravati Buddhist Monastery

Geoffrey Samuel Cardiff University

David Vago Harvard Medical School

Linda Ruth Cutts San Francisco Zen Center

Anam Thubten Dharmata Foundation

Cliff Saron UC Davis

...and many more
